WORKING WITH DISABLED PEOPLE

Star Sword is currently expanding to offer fencing lessons and resources to physically disabled people and those with learning difficulties. In preparation for this we're looking to run a seminar on working with people with these difficulties. We need at least 8 people who have an interest in the area and are willing to give up an afternoon to attend the course - please note attending does not commit you to volunteering on this project. The course is run by Joanne Coates (disability co-ordinator for Cardiff Council) and is being funded by the club, so you pay nothing.

If you're interested in attending please contact me on the details at the bottom of the page. Your support is greatly appreciated!

UPCOMING COURSES

Star Sword has upcoming Beginners' Courses for both adults and children. The next Senior Course starts on the 15th of May and the next Junior Course on the 24th of April. Please pass on my contact details to anyone you think may be interested in taking up the sport. Full details of all upcoming courses here:
